(Called "the Seller")

AND

ANZ GRINDLAYS BANK (ZIMBABWE) LIMITED

(Called "the Purchaser")

PREAMBLE

THE Seller is a company duly registered according to the laws of England and carries on business in England and elsewhere as a commercial bank. Further, the Seller has been

registered in Zimbabwe and has carried on business in Zimbabwe for many years as a commercial bank. The Seller has decided to transfer the banking business it carries on in Zimbabwe to a local company (the Purchaser), which it has registered and which is at present a wholly owned subsidiary of the Seller. In carrying on its banking business in Zimbabwe the Seller has obtained approval in terms of section 27 of the Banking Act [Chapter 188], to hold shares in companies which do not carry on approved banking business, which shares it also wishes to sell and transfer to the Purchaser but its shareholding in ANZ Grindlays Finance (Zimbabwe) Limited will not be sold or transferred. The Seller and the Purchaser wish to record the agreement covering the sale and transfer of the said banking and other business to the Purchaser and the agreement is accordingly recorded hereunder.

1. AGREEMENT CONDITIONAL

This agreement shall be conditional upon the happening of the following events by not later than the 1st day of April, 1990—

- 2.2 For the removal of any doubt, it is recorded that the shares held by the Seller in those companies listed in the Schedule hereto annexed, do form part of the said banking business, but the shares held by the Seller in ANZ Grindlays Finance (Zimbabwe) Limited are not part of the assets hereby sold.

3. PURCHASE PRICE

- 3.1 The purchase-price of the said banking business shall be a sum equal to the net tangible asset worth thereof as determined by the Seller's auditors in Zimbabwe who shall determine the same as soon as possible after the 31st March, 1990.
- 3.2 The said purchase-price shall be payable to the Seller in cash but the Seller undertakes to utilize the said purchase-price to subscribe for 15 million shares of \$1 each in the capital of the Purchaser at a price equal to the price payable by the Purchaser to the Seller. The said price payable for the shares in the capital of the Purchaser shall be set-off against the amount due to the Seller by the Purchaser and the amount paid to the Purchaser in excess of the par value of the shares subscribed for, shall be credited to a share premium account in the books of account of the Purchaser.
- 3.3 As further consideration for the purchase of the said banking business, the Purchaser undertakes to be responsible for and to meet all liabilities due by the Seller at the close of business on the 31st March, 1990, in respect of the said banking business carried on by the Seller in Zimbabwe, which liabilities shall be determined by the said auditors afore said.

had been made, entered into, drawn or executed by, with or in favour of the Purchaser;

4.7.1 as at the 1st day of April, 1990, under notice of dismissal or resignation; or

4.7.2 to remain an employee of the Seller by arrangement between the Seller and the employee made prior to the 1st day of April, 1990;

shall, on and from the 1st day of April, 1990, become an employee of the Purchaser on terms and conditions of service not less favourable than his pre-existing terms and conditions of service with the Seller, and such employment with the Seller and with the Purchaser shall be deemed for all purposes to be a single continuing employment;

- 4.8 a reference to the Seller in any trust deed or rules constituting or relating to any pension scheme or provident or superannuation fund established in Zimbabwe, of which persons employed by the Seller are members, shall, on and from the 1st day of April, 1990, be construed and have effect as if the same were a reference to the Purchaser in respect of the persons who become employees under 4.7, but so that, for the purposes of ascertaining and calculating any right to benefits under such scheme or fund, continuous service with the Seller prior to the 1st day of April, 1990, shall be taken into account as if it were service with the Purchaser provided that the operation of any provision of this subclause shall not of itself give rise to a claim by any person under any scheme or fund as afore said.

GOVERNMENT GAZETTE

Submission of Copy for Government Gazette Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where *urgent* copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of the Department of Printing and Stationery to give certain notices special treatment, I am, however, of the view that a *Gazette Extraordinary* has tended to be a must rather than a matter of priority in respect of unwarranted delays of *urgent* copy.

While every effort will continue to be made to publish *Extraordinaries* on the required dates, copy *must* be submitted timeously so that it can be programmed into the printing workflow as soon as it is available.

GOVERNMENT GAZETTE

Submission of Copy for Application for the Issue of Liquor Licences

IT is hereby notified, for general information, that due to an increase in the number of applicants, throughout the country, for Liquor Licences and the subsequent publication in the *Gazette*, applicants are advised to ensure that their copy has been accepted prior to fixing dates for simultaneous publication in both the *Gazette* and any newspaper in the country.

While every effort will be made to take in what we can in the weekly issue, in respect of applications for Liquor Licences only, no responsibility will be accepted by the Department of Printing and Stationery if—

- copy is automatically held over for insertion in the *Gazette* of the following week; and
- the dates contained in such copy, or any requirements of publication on specified dates are affected;

because the production of the weekly issue of the *Gazette* operates to a tight schedule resulting in programming printing work-flow.

Conditions for Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

- the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- the Manual of Style for the Drafting and Preparation of copy, published by the Department of Printing and Stationery;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangement, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance, 7, 7b, 8, *et cetera*.

4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear;

5. (1) Should any copy—

(a) exceed 10 pages of double-spaced typing on size A4 paper; or

(b) contain tabular or other matter which involves complicated setting;

it will be classed as "lengthy" copy and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

(a) the work involved is of a straight forward and non-tabular nature; and

(b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

(a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;

(b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted *exactly* as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

(a) the name and address of the advertiser; and

(b) the debtor's code-number, if any; and

(c) the required date or dates of publication.

10. (1) If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—

(a) that such error is reported to the editor within three months from the date of publication; and

(b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and

(c) that the correction of such error is legally necessary;

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting, and pay for such notice to be published.

(3) For the removal of doubt—

(a) a typographical error is made by a typographer;

(b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

GOVERNMENT GAZETTE

Authorized Scale of Charges, Times of Closing and Subscription Rate as from 1st July, 1986

Charges

NOTICES published in the normal columns: \$4 per centimetre or part thereof single column. Taking the depth of such matter, normally spaced, approximately 25 words occupy one centimetre; but this can only be a rough guide, as a heading may occupy two centimetres, and certain notices unavoidably contain white space, which must be included in the chargeable depth.

Notices which have to appear in tabular form across the full width of the page, such as lost insurance policies, deceased estates, insolvent estates, company liquidation, notices in terms of the Insolvency Act [Chapter 303], changes of companies' names, *et cetera*: \$10 per entry.

Except in the case of approved accounts, remittances must accompany all copy of advertisements, failing this, copy will be returned with an assessment of charges.

Times of closing

The *Gazette* closes for the receipt of copy for all notices to be published in the normal columns, and for statutory instruments, at 11 a.m. on the Monday preceding the Friday of publication.

Copy for all notices to be set in tabular form must be received by 11 a.m. on the Friday preceding the Friday of publication.

Any copy which is received after the respective closing-times will automatically be held over for insertion in the *Gazette* of the following week, in which case no responsibility can be accepted if the purport of the notice is hereby nullified.

When public holidays occur, the normal closing-times are varied, and such variations are notified in the *Gazette* in advance.

All copy must be addressed to the Department of Printing and Stationery, and either posted to P.O. Box 8062, Causeway, or delivered direct to the department, in Gordon Avenue (between Sixth Street and Epton Street), Harare. Envelopes should be marked: *Gazette copy—urgent*.

Regular advertisers and subscribers are requested to advise immediately of any change of address.

Subscription rate

The annual subscription rate for the *Gazette* is Z.\$20, payable, in advance, to the Controller of Printing and Stationery, and may commence with the first issue of any month.
