MUNICIPALITY OF KARIBA**General Valuation Roll**

THE general valuation of the Kariba Municipal area's commercial, industrial and other properties and the assessment of all residential property in terms of section 247 of Part XVIII of the Urban Council's Act [Chapter 29:15] has now been completed.

The new general valuation roll and the general assessment whose date was fixed as 6th of February, 2006, is now on deposit for inspection by owners or occupiers of the relevant properties at the Board room, Kariba Heights Municipal Offices. Owners or occupiers of properties are called upon to lodge in writing, with the Clerk of the Valuation Board, at the Heights Municipal Offices not later than 12 noon, 28th September, 2006 any objections they may have against the valuation of any property owned or occupied by them or in respect of any error, omission, incorrect description or against the

assessment of any residential property owned or occupied by them particularly against—

- (a) The number of rating units assigned to a particular property; and
- (b) The rating zone within which the property has been placed.

Copies of the prescribed form of objection may be obtained from the Clerk of the Valuation Board at the Heights Municipal Offices.

As stipulated in the Urban Council's Act, the basis of valuation is the estimated price on a voluntary sale in the open market between a willing seller on one hand and a willing buyer on the other. As expected, the new values of properties on the valuation roll are many times greater than those on the current roll, which is based on the 1997 values.

Ratepayers are advised that rates payable by them will not increase in proportion to the increase in values as there will be a downward adjustment to the rate per dollar to be applied to the new values so as to maintain more or less the current actual rates liability applicable to each property. Rates increase can only be effected in the normal Council's annual budget process.—G. Makunde, Town Clerk, Municipality of Kariba, Kariba Heights, P.O. Box 130, Kariba. 341221f

REGIONAL TOWN AND COUNTRY PLANNING ACT, 1996 [CHAPTER 29:12]

Notice of Local Planning Authority's Decision on Local Plan

IT is hereby notified, in terms of section 19(4) of the Regional Town and Country Planning Act [Chapter 29:12], as read with Section 23 of the Regional Town and Country Planning (Master and Local Plans) Regulations 1977, published in Statutory Instrument 248 of 1977, that Kwekwe City Council has approved the Kwekwe City Central Business District Local Plan.

A copy of the approved local plan is on public exhibition at the Kwekwe City Council Offices Civic Center.

The plan may be inspected, free of charge from Monday to Friday during normal office hours from 18 August, 2006 to 29 September 2006.

The local plan becomes operative on the 30th of September, 2006 but, if any person is aggrieved by the plan and wishes to question its validity on the grounds that it is *ultra vires* the powers conferred by Part IV of the Act, or that any requirement of Part IV of, or any regulations made in terms of the Act, has not been complied with in relation to the approval of the Plan, he/she may apply to the High Court for an order setting aside any particular provision of it.

Any such application to the High Court must, in terms of Section 71 of the Act, be made within six (6) weeks of the date of publication of this notice.—E. N. Musara, Town Clerk, Kwekwe City Council. 398138f

GOVERNMENT GAZETTE

Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

- (a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- (b) the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangements, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, *et cetera*.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

- (a) exceed 10 pages of double-spaced typing on size A4 paper; or
- (b) contain tabular or other matter which involves complicated setting;

it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

- (a) the work involved is of a straight forward and non-tabular nature; and
- (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

- (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
- (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted *exactly* as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

- (a) the name and address of the advertiser; and
- (b) the debtor's code number, if any; and
- (c) the required date or dates of publication.

10. If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—

- (a) that such error is reported to the editor within three months from the date of publication; and
- (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
- (c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and pay for such notice to be published.

(3) For the removal of doubt—

- (a) a typographical error is made by a typographer;
- (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

GOVERNMENT GAZETTE

Submission of Copy for Government Gazette Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the *Gazette*, and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where *urgent* copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a *Gazette Extraordinary* has tended to be a must rather than a matter of priority in respect of unwarranted delays of *urgent* copy.

While every effort will continue to be made to publish *Extraordinaries* on the required dates, copy *must* be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,
Gazette Editor.
