ZIMBABWE REVENUE AUTHORITY (ZIMRA)**Request for Expressions of Interest
Consulting Services***Tender number*

ZIMRA/AFDB EOI.05/2020. For Gender Mainstreaming Consultant (Domestic) Tax and Accountability Enhancement Project (TAEP).

The Government of Zimbabwe, in response to national, regional and international efforts for social justice and the respect of human rights and the need to redress gender inequality and inequity and ensure women's empowerment has taken steps to put in place policies and legislation that provide a framework and mechanism for the attainment of equality between men and women in all spheres of society.

The Constitution of Zimbabwe forbids discrimination on the basis of sex or gender. Several statutes and a National Gender Policy have been passed to bolster national efforts to achieve gender equality and women's empowerment. Furthermore,

the Government is a signatory to several regional and global norms and standards on human rights and gender equality and equity. A national machinery responsible for gender and women's empowerment has been in place since 1980. Consequently some progress has been made towards the attainment of gender equality, equity and women's empowerment. However, gender disparities continue to pose challenges to social justice and equality between women and men, thus derailing efforts towards sustainable development.

Zimbabwe Revenue Authority is not spared hence the need to train all relevant officials to be able to implement such. This is necessitated by the fact that ZIMRA is key in the mobilisation of revenue for the government of Zimbabwe. Revenue collection is central to sustainable national development as it provides government with the much needed financial resources necessary to push forward the national agenda across all sectors of society. There is therefore a need to mainstream gender in the entire value and supply chain of revenue collection. In light of this, the Zimbabwe Revenue Authority is seeking to hire one (1) trainer/consultant with expertise in gender mainstreaming to finalise draft of the gender policy and deliver training to ZIMRA staff which helps in building institutional and human capacity that generates equitable growth.

Objective of the assignment:

The objective of this assignment is to undertake an overall gender assessment of Zimbabwe Revenue Authority, culminating into finalisation of the draft gender policy, design a gender strategy and train staff. The specific key objectives are:

- ▶ Align gender mainstreaming with the Sustainable Development Goal (SDG 5).
- ▶ Finalise the draft gender policy and organise gender mainstreaming training to strengthen the participants' practical skills in gender mainstreaming. This will strengthen ZIMRA's obligation in mainstreaming gender in the entire value supply chain in revenue collection.
- ▶ Identify key gender inequalities that constrain inclusive growth, assess the existing policy and legal frameworks from a gender perspective, and recommend key areas for strategic actions.
- ▶ Provide concrete recommendations regarding existing gender gaps and inequalities and for accelerating the advancement of gender equality and the social and economic empowerment of women and their equal participation in decision-making.
- ▶ Develop Gender Strategy.
- ▶ Develop Training Module.
- ▶ Equip management with knowledge and skills of how to mainstream gender in all ZIMRA operations.
- ▶ Develop a report with recommendations to take forward gender training and sensitisation in ZIMRA.

The Consultant shall provide ZIMRA with consultancy services in Gender Mainstreaming as per deliverables specified below:

- Inception, Gender Audit, Awareness Campaigns and Training of Trainers Reports.
- Gender Strategy/Policy document.
- Gender Training Module.
- Make recommendations to advance gender equality and the empowerment of women in the organisation in the decision-making process.
- Propose the outline of a priority program of intervention in the field of gender in the organisation.
- Consultant to have weekly meetings to update ZIMRA

Director/Head Human Capital Development of any progress/challenges he/ she will be making and document minutes of the meetings.

- Produce a Final Report which should include a clear description of the support provided, documents, conclusions and recommendations for the execution of the Gender Mainstreaming tasks.

Interested Consulting Firms should:

- Provide information demonstrating that they have the required experience, competences, skills, and qualifications relevant for performance of the services whether as individual firms, joint ventures or as consortia.
- Submit Company profiles, Company registration documents, Curriculum Vitae of key personnel and professional staff, brochures, description of similar assignments, experience under similar environment or conditions.
- Demonstrate that they have fully established business offices.

Prospective Consulting Firms may constitute joint-ventures where necessary to enhance their capacity to undertake the assignment.

For establishing the short list, the nationality of a firm is that of the country in which it is legally incorporated or constituted and in the case of joint venture, the nationality of the firm appointed to represent it.

GOVERNMENT GAZETTE

Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

- (a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- (b) the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangements, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, *et cetera*.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

- (a) exceed 10 pages of double-spaced typing on size A4 paper; or
- (b) contain tabular or other matter which involves

complicated setting; it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

- (a) the work involved is of a straight forward and non-tabular nature; and
- (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

- (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
- (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

- (a) the name and address of the advertiser; and
- (b) the debtor's code number, if any; and
- (c) the required date or dates of publication.

10. If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—

- (a) that such error is reported to the editor within three months from the date of publication; and
- (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
- (c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and pay for such notice to be published.

(3) For the removal of doubt—

- (a) a typographical error is made by a typographer;
- (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

It is hereby notified, for general information, that it is necessary to draw attention to the “Conditions for Acceptance of Copy”, which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a *Gazette* Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,
Gazette Editor.

- After the auction, a report on the bidding and on the highest price offered, together with any other relevant information relating to the sale, will be forwarded to the Sheriff, who, if satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property, will declare the highest bidder to be the purchaser.
- In terms of the rules of court, any person having an interest in the sale may, within seven days of the Sheriff having declared the highest bidder to be the purchaser, apply to the High Court to have it set aside on the grounds that the sale was improperly conducted or the property was sold for an unreasonably low sum, or any other good ground.
- In the event of no application being made within the said period of seven days the Sheriff shall confirm the sale.
- During the auction, should any dispute arise as to any bid the property will be put up for sale again.

 - effect payment to the Commissioner of the whole of the purchase-price in cash or by cheque or bank draft drawn to the order of the Sheriff.
- The purchase-money, if not paid in full to the Commissioner at the conclusion of the auction shall be paid on or before the registration of the transfer of the property into the name of the purchaser, unless the Sheriff approves other arrangements for discharging the amount due by the purchaser.
- The purchaser shall be liable to pay interest at the rate of twenty-five per cent. per annum in respect of any unpaid balance of the purchase-price with effect from seven days after the date of confirmation of the sale by the Sheriff.
- If the purchaser fails to make payment of the purchase-price and other costs and charges in terms of these conditions of sale, or fails to comply with any conditions of the sale contained herein, the Sheriff shall have the right to apply to a judge of the High Court to have the sale cancelled, and to hold the purchaser liable for any loss or damages sustained, or to employ any other remedy which he may have. In the event of the sale being cancelled, the purchaser shall not be entitled to any increase which the property may realize at a subsequent sale.
- The property is sold as represented by the title-deeds the Sheriff not holding himself liable for any deficiency whatsoever, and renouncing all excess; and the Sheriff does not hold himself responsible for the determination of the boundaries and beacons which shall be the responsibility of the purchaser.
