MINISTRY OF HEALTH AND CHILD CARE

Call for Expression of Interest

THE Ministry of Health and Child Care Request for Expressions of Interest to Implement Global Fund Supported Programmes under the Malaria Grant as Sub-recipients, Grant 2021-2023 (NFM3)

Tender number

MOHCC-PCU-CEI-022/2020. Implementation of Malaria Grant as Sub-recipients, Grant 2021-2023 (NFM3). Closing date and time: 26th October, 2020, at 1000 hours.

1. Background

The Global Fund to Fight AIDS, Tuberculosis and Malaria (the 'Global Fund') was created in 2002 as a Public Private Partnership to mobilise additional funds to those countries that can make a difference in the fight against HIV and AIDS, Tuberculosis and Malaria.

The Government of Zimbabwe through the Ministry of Health aims to strengthen the health system through retention of health care workers, strengthening community health systems and scaling up programs for AIDS, TB and Malaria. Zimbabwe has contributed a total of US\$3,11 million to the Global Fund to date. Zimbabwe is both a donor to the Global Fund and an implementer of Global Fund-supported programs.

To date, the Global Fund has approved over US\$ 1,2 billion to support interventions against the three diseases and health systems strengthening (HSS) in Zimbabwe based on proposals submitted by the Zimbabwe Country Coordinating Mechanism (CCM). The CCM is a country-level partnership that develops and submits Concept Notes (grant proposals) to the Global Fund based on national priority needs; oversees and monitors grant implementation and coordinates all Global Fund supported activities in Zimbabwe. In 2020 the Global Fund approved a new Funding request for the Malaria grant with the Ministry of Health and Child Care as the Principal Recipient.

2. Grant Implementation Structures for Global Fund Supported Programmes

The GF is a financing institution, not an Implementing entity and provides performance-based grant funding to country-level recipients called Principal Recipients (PR). The PR is the local entity nominated by the CCM and approved by the GF to be legally responsible for grant proceeds implementation of program activities. In order to implement the programme, the PR enters into grant agreement with Sub-Recipients (SR).

The SR may further enter into grant agreements with Sub-Sub-Recipients (SSR) to implement programme activities. The SR can be (i) Government institutions; (ii) non-governmental

organisations; (iii) community based organisations; (iv) faith based organisations; and (v) private sector organisations.

3. Call for Expression of Interest

In the spirit of country ownership, transparency and partnership through broad stakeholder involvement, the Ministry on behalf of the CCM hereby calls for expression of interest for organisations to be considered as Sub-recipients to implement the Zimbabwe Global Fund New Funding Request for 2021-2023.

Please carefully read the Proposal guidelines below:

3.1 Call for Potential Sub-Recipients (SRS)

SRs are responsible for implementation of programme activities at sub-national levels in the country. Such organisations may directly implement activities or work through other implementing partners called SSRs. For example an international or national NGO may directly implement or work with community based organisations. Any organisation in Zimbabwe involved in programme implementation in (1) Malaria, (2) Health System Strengthening or (3) Community Systems Strengthening components) is encouraged to submit an expression of interest to be considered as SR of GF grants under FR for Malaria. The proposed component and disease focus areas in Section 4 below were agreed upon by the CCM following a consultative review of national priorities and programme gap analysis and applicants may apply for more than one component separately. The potential SR should demonstrate competencies and experience in programme implementation, financial accountability and monitoring and evaluation.

4.0 The main areas of responsibility will focus on the following two thematic areas:

1. Distribution of Long Lasting Insecticide Nets (LLINs) and
2. Social Behaviour Change Communication for all malaria interventions (indoor residual spraying, use of mosquito-nets, larviciding, prevention of malaria in pregnancy, malaria case management and malaria elimination in general).

5.0 The regions of focus are as follows

Region 1: Mashonaland Central, East and Manicaland provinces.

Region 2: Mashonaland West, Matabeleland North and South, Masvingo and Midlands.

6.0 The sr(s) should have the capacity to:

1. Conduct community sensitisation activities for beneficiaries and stakeholders regarding malaria prevention, control and elimination (indoor residual spraying, use of mosquito-nets, larviciding, prevention of malaria in pregnancy, malaria case management and malaria elimination in general).
2. Conduct household registration for LLINs beneficiaries to identify needs.
3. Conduct mass LLINs distribution campaigns in targeted areas.
4. Facilitate continuous net distribution of LLINs in the targeted areas using the various channels that includes EPI, ANC and community outlets.
5. Conduct net utilisation and care campaigns in the targeted areas.
6. Track and report implementation progress and coverage timeously.
7. Receive and manage grant funds in line with the Global Fund and MOHCC's requirements.
8. Document best practices, and generate evidence for decision making.
9. Design, produce and distribute the relevant print and electronic Information, Education and Communication materials to enhance programme performance.
10. Work with community structures to build capacity and enhance community ownership of malaria programmes
11. Reach special, vulnerable and hard-to-reach population groups with relevant malaria messages and services.

12. Implement Global Fund and other international funded grants, and meet the relevant reporting requirements.

Interested organisations should be legally registered in Zimbabwe, and with demonstrated previous experience working with Government, communities and civil society in Zimbabwe. Shortlisted Sub-recipients will have their grant implementation capacities (Programme management, monitoring and evaluation, finance and others) assessed by the Principal Recipient.

Bids must be enclosed and in sealed envelopes and endorsed on the envelope(s) and quotation(s) with the advertised Tender Number, closing date, hand-delivered and deposited into the tender box (found at First Floor Reception, MOHCC, Kaguvu Building) by 1000 hours on the closing date.

Please note that no application will be accepted after the closing time and date. Further, there shall be no extension of these deadlines and that this advert is not to be construed in any way as an offer to contract with your organisation.

GOVERNMENT GAZETTE

Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

- (a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- (b) the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangements, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, *et cetera*.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

(a) exceed 10 pages of double-spaced typing on size A4 paper; or

(b) contain tabular or other matter which involves complicated setting; it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

(a) the work involved is of a straight forward and non-tabular nature; and

- (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

- (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
- (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

- (a) the name and address of the advertiser; and
- (b) the debtor's code number, if any; and
- (c) the required date or dates of publication.

10. If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—

- (a) that such error is reported to the editor within three months from the date of publication; and
- (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
- (c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and pay for such notice to be published.

(3) For the removal of doubt—

- (a) a typographical error is made by a typographer;
- (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

GOVERNMENT GAZETTE

Submission of Copy for Government *Gazette* Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a *Gazette* Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,
Gazette Editor.

SHERIFF'S SALES*Conditions of sale*

- The sale is conducted in terms of the rules of the High Court, which provide that it shall be without reserve but subject to the condition that the Sheriff requires to be satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property.
- After the auction, a report on the bidding and on the highest price offered, together with any other relevant information relating to the sale, will be forwarded to the Sheriff, who, if satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property, will declare the highest bidder to be the purchaser.
- In terms of the rules of court, any person having an interest in the sale may, within seven days of the Sheriff having declared the highest bidder to be the purchaser, apply to the High Court to have it set aside on the grounds that the sale was improperly conducted or the property was sold for an unreasonably low sum, or any other good ground.
- In the event of no application being made within the said period of seven days the Sheriff shall confirm the sale.
- During the auction, should any dispute arise as to any bid the property will be put up for sale again.
- The right is reserved to the auctioneer of regulating or refusing any bid.
- The sale shall be for cash and, in addition, the purchaser shall pay—
 - the auctioneer's commission; and
 - the costs of transfer, including conveyancer's charges, stamp-duty and any other fees; and
 - all arrear rates and charges, and any other expenses necessary to complete the transfer.

8. Immediately after conclusion of the auction the highest bidder shall, unless other arrangements are made with the auctioneer, deposit with the auctioneer an amount sufficient to cover the auctioneer's commission, and either—
 - (a) advise the Commissioner appointed by the Sheriff, attending the sale of the manner in which he intends to make payment of the purchase-price and other costs and charges in terms of these conditions, and satisfy the Commissioner as to his bona fides and ability to meet his obligations; or
 - (b) effect payment to the Commissioner of the whole of the purchase-price in cash or by cheque or bank draft drawn to the order of the Sheriff.
9. The purchase-money, if not paid in full to the Commissioner at the conclusion of the auction shall be paid on or before the registration of the transfer of the property into the name of the purchaser, unless the Sheriff approves other arrangements for discharging the amount due by the purchaser.
10. The purchaser shall be liable to pay interest at the rate of twenty-five per cent. per annum in respect of any unpaid balance of the purchase-price with effect from seven days after the date of confirmation of the sale by the Sheriff.
11. If the purchaser fails to make payment of the purchase-price and other costs and charges in terms of these conditions of sale, or fails to comply with any conditions of the sale contained herein, the Sheriff shall have the right to apply to a judge of the High Court to have the sale cancelled, and to hold the purchaser liable for any loss or damages sustained, or to employ any other remedy which he may have. In the event of the sale being cancelled, the purchaser shall not be entitled to any increase which the property may realize at a subsequent sale.
12. The property is sold as represented by the title-deeds the Sheriff not holding himself liable for any deficiency whatsoever, and renouncing all excess; and the Sheriff does not hold himself responsible for the determination of the boundaries and beacons which shall be the responsibility of the purchaser.
13. The property shall be at the risk and profit of the purchaser from the date upon which the Sheriff confirms the sale and the Sheriff gives no warranty of vacant possession.
14. The highest bidder may not withdraw his bid in terms of these conditions of sale prior to the date of confirmation of the sale or rejection of his offer by the Sheriff.
